Dear Posey:

I have talked to Mr Scott's Secy., at The Thressa Hotel, and asked her to have a suite of rooms for you, and a room for Rufus Jackson, and one for S.H. Posey for the night of Friday Nov. 9th, with the understanding you will be there several days.

I also asked for the room for our baseball meeting for Friday.

If you want the rooms any sooner, or want any additional ones, you had better wire directly to the hotel.

I called Lauschner on the phone and told him of the meeting. I was unable to get Semler, but will write him and Bolden today. Also Pompez.

If there is anything else you want me to do, get in touch with me right away, as Friday is not far off.

I hope you are feeling better, I am sorry to know Tom is too ill to attend, but I am sure everything will be alright.

Very Truly Yours
